Dear Parents and Guardians,

Welcome to another school year at Tynyrheol Primary. I would like to introduce myself, my name is Richard Edwards and I am the new seconded Head Teacher. Firstly, a big thank you, to all members of the school community who have offered messages of support and for the welcome Miss Richards and I have had in Tynyrheol. I look forward to working closely with the community to build relationships and to ensure we provide the best opportunities for our children in the future. ### An Exciting Start!

Making autumn pictures with leaves.

We made hedgehogs using pine cones and playdough.

We loved exploring in the community on our autumn scavenger hunt! We made woodland animals from the things we collected.

We used our ratio and measuring skills to make slime!

We enjoyed learning coding skills with a LEGO WeDo.
