Parent Survey

Dear Parents,

Thank you to all the parents who attended the parental forum and to all those who completed a questionnaire. The results of the questionnaire are published on our website through the parent pages. We have noted all your responses and these have been shared in our most recent Governors Meeting. Thank you for your feedback. We really do value the positive feedback from the questionnaires and we are always looking for ways to improve our service further. Therefore, we make every effort to consider your views, good and bad and will work diligently to address the concerns raised. As always if any parent wishes to contact the school to discuss this survey or to address any additional concerns you may have please do not hesitate to contact me at school.

Many Thanks,

R. Edwards

Supply Cover

As a school we prioritise the pupil's learning in all classes. Whenever our staff are required to attend training we will minimise the interruption to learning by leaving planned work by the class teacher. Prior to leaving school the teacher meets with our own teaching assistants to explain the lessons left and the learning required. This provides the school with the best continuity of learning. If you have any queries regarding this matter I would encourage you to contact me at school.

Parents evening

Parents evening will take place on Monday 9th March.

Due to the varying class sizes, each class will start at different times.

The online booking system is now available to book your appointment. If you have any problems with booking please contact Miss Crowle.

Please can you find a safe, legal place to park (i.e. The Richard Price Centre, in the bays just past the shop) when dropping off or picking up your children.
