Dear Parents/ Carers

The School Council have chosen what they would like to do for Children in Need on Friday 13th November.

This year's theme will be:

'Spotty Clothes'

The School Council will collect a suggested donation of £1.00, to send off to support the charity. We aim to keep school as fun and as normal as possible but this year is very different to previous years. Please remember the school is operating under stricter controls due to Covid regulations with enhanced cleaning regimes. We therefore request that you **do not** send your child into school with face paints or hair dye as this can easily run and transfer to different surfaces.

Kind regards

Logan Ava
